* Energy, Transport and Building. **Social Science & Humanities

INDEPENDENT RESEARCH FUND DENMARK (DFF)

DANISH FUND FOR BOTTOM-UP RESEARCH

GENERAL REQUIREMENTS

*"DFF has as its objective to advance and strengthen Danish research, understood in a broad sense. Therefore, **DFF has no requirements as to applicants' citizenship, the location of research institutions or the specific geographic location where the research activities in question will be carried out.** In every case, DFF will assess an application based on whether the project in question benefits Danish research.*

(DFF Guidelines)

WHAT EXPENSES DOES DFF GENERALLY SUPPORT?

- Salaries for personnel (VIP and TAP)
- Equipment (exceeding DKK 500,000 per item, excluding overhead/administrative expenses)
- Operating expenses (including equipment up to DKK 500,000 per item)
- Overhead
