

1st Joint Research Symposium Lomonosov Moscow State University & Ludwig-Maximilians-Universität

Faculty of Geosciences, Luisenstr. 37, 1st Upper Floor, Lecture Hall C106, 80333 Munich, Germany

Friday, 10 November 2017 – Preliminary Agenda	
09.00 – 09.15	Welcome - Rationale – Introduction
09.15 – 09.45	Sergey A. Sokratov (MSU): Main research topics at the Faculty of Geography, MSU
09.45 – 10.05	Henrike Rau / Ralf Ludwig (LMU): Main research topics at the Faculty of Geosciences / Department of Geography, LMU
10.05 – 10.25	Thomas Ammerl (Bavarian Research Alliance BayFOR): Russian-German Research Opportunities and Funding Programs
10.25 – 10.45	Coffee Break
10.45 – 11.15	Nikolay S. Kasimov (MSU): Environmental Geochemistry
11.15 – 11.45	Eileen Eckmeier (LMU): Geochemical characteristics of soils and sediments as indicators of past and present change
11.45 – 12.00	Discussion (all)
12.00 – 13.00	Lunch Break
13.00 – 13.30	Sergey R. Chalov (MSU): Integrated Catchment Studies
13.30 – 14.00	Miriam Dühnforth (LMU): Reading the signature of glacier occupation and retreat in alpine settings
14.00 – 14.15	Discussion (all)
14.15 – 14.30	Coffee Break
14.30 – 14.55	Ralf Ludwig (LMU): Climate change and hydrometeorological extreme events
14.55 – 15.25	Sergey A. Dobroliubov (MSU): Natural Hazards in the Arctic
15.25 – 15.50	Wolfram Mauser (LMU): Global and regional food potentials - an integrated biophysical-economic analysis
15.50 – 16.00	Closing Discussion and Farewell
