

International Workshop “Green materials for Batteries in Horizon 2020”

Wednesday, 19 February 2020, 10:00 to 17:00 hrs
Bavarian Ministry of Economic Affairs, Regional Development and Energy,
Prinzregentenstraße 28, 80538 Munich, Germany

Practical information for the pitch talks

- Deadline for submission of your pitch talk is **13 February 2020**.
- Please note that there is only a limited number of slots for pitch talks. The organisers reserve the right to prioritise the speakers based on the quality of their submitted presentations, their project ideas and their ability to address the Horizon 2020 topics listed below.
- A pitch talk may only last a maximum of **5 minutes**.

Presentation Slides

- Maximum of 10 slides per presentation, submitted as a pdf document, written in English
- Contact details (contact person, institution, email, phone)

Contents

Please choose amongst the following topics the one(s) you wish to address with your project idea:

- [LC-BAT-8-2020: Next-generation batteries for stationary energy storage](#)
- [LC-BAT-9-2020: Hybridisation of battery systems for stationary energy storage](#)
- [LC-BAT-10-2020: Next generation and realisation of battery packs for BEV and PHEV](#)
- [LC-BAT-11-2020: Reducing the cost of large batteries for waterborne transport](#)

Please also indicate the following information in your pitch talk:

- Clear description of your institution, offered expertise and reference to earlier EU project activities
- Clear outline of project idea, expected scope and impact
- Which Horizon 2020 topic you would like to address (see links to the topics mentioned above);
- Wishes for collaboration within the targeted topic(s);
- Your preferred role within the proposal/project (as coordinator or partner);
- Your expectations towards potential proposal/project partners: which expertise you are searching for and which role (as coordinator or partner) partner could take on.
