The hybrid event has its focus on the framework conditions of European funding for research and innovation projects. "Horizon Europe" as the worldwide biggest funding programme for research & innovation (95 billions of € between 2021-2027) offers manifold options for projects in green topics, e.g. Decarbonisation, Environment, Food Value Creation, Circular Economy, Water, Climate Impact Research, Agriculture and Bioeconomy. Also partners from outside Europe and the Global South (e.g. from Latin America, Africa and Asia) are eligible for being beneficiaries in European funded research and innovation projects

7. The ticketing system for the events is managed via "Eventbrite". You will be notified at a later stage on how to receive your tickets and where to find the zoom link to access the online event.
