***Bavaria*Israel* Workshop Series: How to build a "Horizon Europe" - proposal for topics from Cluster 2 (Culture, Creativity an Inclusive Society)?**

(Horizon Europe, Cluster 2: Culture, Creativity and Inclusive Society)

2 online working sessions (26 October 2023 / 6 November 2023)¹

How to compose a competitive HEU-proposal? How to build an excellent consortium? How to write a first draft and how to get the proposal writing process started?

These and further questions will be addressed in our workshop series „ **How to build a "Horizon Europe" - proposal for topics from Cluster 2 (Culture, Creativity an Inclusive Society)** “. The event invites stakeholders from Bavaria and Israel and Europe to explore new cooperation and network opportunities and to compose a one-pager as a feasible starting point for a joint HEU-proposal. The event is organized by experts of the Scientific Coordination Office Bavaria-Israel of the Bavarian Research Alliance (BayFOR) and the Israel-Europe R&D Directorate (ISERD).

The event is **free of charge**. Please note that in order to have a fruitful discussion during the working sessions, the number of participants is limited.
