

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Dr. Stéphane Ruggeri, Advisor Technology and Innovation at PRIMA Québec- The Advanced Materials Research and Innovation Hub.

Dr. Stéphane Ruggeri will introduce us into his work in the advanced materials ecosystem that PRIMA supports. PRIMA is a leader in advanced materials through its knowledge of the ecosystem and its expertise when supporting companies – for a more competitive Quebec in a number of areas thanks to sustained growth in the advanced materials ecosystem.
