

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Ralf Ludwig, Professor in Applied Physical Geography and Environmental Modelling at the Department of Geosciences, Ludwig-Maximilian-University (LMU) Munich. Professor Ludwig will give us insights into the newly launched EU-project ARSINOE on climate-resilient regions through systemic solutions and innovations, involving 41 international partners and 9 case studies.
