

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Patricia Debergue, Section Head, Simulation and Digital Health, Medical Devices Research Centre, National Research Council Canada (NRC).

Patricia Debergue will introduce us into the immersive virtual reality technologies for cognitive health developed in her lab, and highlight potential cooperation paths with Bavarian teams.

Immersive virtual reality for cognitive health

Forschungscafé / Science Café

Invited Speaker: Patricia Debergue, National Research Council Canada

Moderation: Dr. Florence Gauzy

Thursday, 28.4.2022, 14:00 - 14:30 pm (CEST)

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. We kindly ask you to register in advance. You will receive a link to the virtual conference room the day before. We are very much looking forward to meeting you soon! **Registration is possible until 26th April 2022 per Email to: bayern-quebec@bayfor.org**
