

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we are pleased to welcome Dr. Jennifer Littlejohns, Program Director of the Critical Battery Materials Initiative at National Research Council Canada (NRC).

Dr. Littlejohns will introduce us into the new Challenge Initiative, created with the aim to develop the mid-stream battery supply chain and facilitate the transition to electrification in Canada.

Critical Battery Materials Initiative at NRC

Forschungscafé / Science Café

Guest: Jennifer Littlejohns, PhD, National Research Council Canada (NRC)

Moderation: Dr. Florence Gauzy, WKS, BayFOR & Dr. Jennifer Decker, NRC

Thursday, 29.6.2023, 14:00 - 14:30 pm (CEST) / **8:00 – 8:30 am (Eastern Time)**

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. We kindly ask you to register in advance. You will receive a link to the virtual conference room the day before. We are very much looking forward to meeting you soon! **Registration until 28.6.2023 per Email to: bayern-quebec@bayfor.org**
