

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Dr. Kodjo Agbossou, full Professor in the Electrical and Computer Engineering Department of Université du Québec à Trois Rivières, Québec, Hydro-Québec Research Chairholder on Transactive Management of Power and Energy in the Residential Sector and RLS-Sciences Vice-President. We will focus on his research activities in the field of hydrogen and smart energy.

Opportunities and Challenges of Energy Management Systems in the Hydrogen Technologies Development Context

Forschungscafé / Science Café

Special Guest: Professor Kodjo Agbossou, Université du Québec à Trois Rivières, Québec, Canada

Moderation: Dr. Florence Gauzy

Thursday, 19 November 2020, 14:00 - 14:30 pm CET

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. We kindly ask you to register in advance. You will receive a link to the virtual conference room the day before. We are very much looking forward to meeting you soon!

Registration until 16 November 2020 per Email to: bayern-quebec@bayfor.org
