

## Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we will welcome Mario Liebensteiner, assistant professor for Energy Markets and Energy Systems Analysis at the Faculty of Law and Economics, Friedrich-Alexander-Universität Erlangen Nürnberg.

Professor Liebensteiner will share insights from his recent exchanges with partners at HEC Montréal on economic modelling relating to the role of energy storage in energy transitions.

### **Economic modelling for the energy transition: The role of energy storage**

*Forschungscafé / Science Café*

**Guest Speaker: Mario Liebensteiner, assistant professor, FAU**

*Moderation: Dr. Florence Gauzy*

Thursday, 26.10.2023, **14:00 - 14:30 pm (CEST)**

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. **We are very much looking forward to meeting you soon!**
