

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we are pleased to welcome Alena Otto, Head of the Chair of Management Science / Operations and Supply Chain at University Passau, and Michel Gendreau, Professor of Operations Research and Management Science at Polytechnique Montréal.

Together, they will report on their joint bilateral project dedicated to “Advanced optimization methods for mobile robot management in factories and warehouses”.

Advanced Optimization Methods for Mobile Robot Management in Factories and Warehouses: Project Report

Forschungscafé / Science Café

Speakers: Prof. Alena Otto, University Passau, and Prof. Michel Gendreau, Polytechnique Montréal

Moderation: Dr. Florence Gauzy, WKS/BayFOR

Thursday, 11.05.2023, 14:00 - 14:30 pm CEST / 8:00 – 8:30 am (Eastern Daylight Time Canada)

Videoconference

Our science cafés take place regularly on different topics. We encourage an authentic interaction between the participants. We are very much looking forward to meeting you soon!
