

Invitation

Please join us to exchange over a cup of coffee on key questions related to international scientific cooperation. Born in the COVID pandemic, our Forschungscafés/Science cafés are a place to meet, learn and network. In an informal setting and collaborative environment, we are pleased to welcome Dr. Anne-Marie Pilote, Scientist in Residence at the Québec Government Office in Munich.

A Québec Postdoctoral Researcher in Information and Communication Sciences, Dr. Pilote will give insights into her science diplomacy role.

Scientist in Residence for the Government of Québec: A Report

Forschungscafé / Science Café
