

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we are pleased to welcome Professor William Roberto Wolf, Head of the Laboratory of Aeronautical Sciences in the School of Mechanical Engineering of University of Campinas in the State of São Paulo. Professor Wolf is a member of the RLS-Sciences Global Aerospace Campus Group.

Professor Wolf will present his research on application of supercomputers in the aeronautical industry, with a focus on turbulence and aeroacoustics.

Application of supercomputers in the aeronautical industry

Forschungscafé / Science Café

Guest Speaker: William Roberto Wolf, professor, University of Campinas (Unicamp)

Moderation: Dr. Florence Gauzy, WKS/BayFOR & Prof. João Luiz Filgueiras de Azevedo, São Paulo Research Foundation (FAPESP)

Thursday, 23.11.2023, 14:00 - 14:30 pm (CET) – 10:00 – 10:30 am (BRT) – 8:00 – 8:30 am (EST)

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. **We are very much looking forward to meeting you soon!**
