

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we will welcome Ralf Ludwig, who is Professor in Applied Physical Geography and Environmental Modeling at the Department of Geosciences, Ludwig-Maximilian-University (LMU) Munich, and speaker of the Abby-Net research group.

Abby-Net is the Albertan-Bavarian Research & Training Network for Sustainable Energy Transitions, dedicated to improving the understanding of the complex interactions in E³-Systems (Environment, Engineering and Socio-Economics). Professor Ludwig and his partners will give us an update on this unique network.
