

Invitation

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation. In an informal setting, we are pleased to welcome Alex Champagne-Gélinas, Director Strategic Development at InnovÉÉ Québec. He will present the electrical energy sector in Québec as well as funding and cooperation opportunities in this field.

InnovÉÉ is a RSRI, a hub for collaborative R&D in Québec to foster electrification in transportation and industry in Québec and beyond.
