

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Dr. Wolfgang Höhl, Architect and Associated Researcher for 3D Computer Graphics and xR-Technologies at the Department of Informatics, Technical University of Munich (TUM).

Dr. Höhl will present key findings based on a new approach using Fuzzy Cognitive Maps to map and simulate digital transformation in architecture and urban planning.

What Kind of Digital Society Do We Want to Live In? Some Remarks on Digital Transformation in Architecture and Urban Planning

Forschungscafé / Science Café

Guest: Dr. Wolfgang Höhl, Associated Researcher, Department of Informatics, Technical University of Munich (TUM)

Moderation: Dr. Florence Gauzy

Thursday, 4th March 2021, 14:00 - 14:30 pm (CET)

Videoconference

Our science cafés take place regularly on different topics. To allow for an authentic interaction between the participants, the number of attendees is limited. We kindly ask you to register in advance via email at: bayern-quebec@bayfor.org. We are very much looking forward to meeting you soon!
