

Bavaria-Israel Symposium

“Climate Change and Social Science”

(Horizon Europe Cluster 5, Destination 1)

July 8, 2021,

10:00-14:00 (CET) / 11:00-15:00 (IST)

The international symposium on “Climate Change and Social Science” on July 8, 2021 invites Bavarian, Israeli and other European stakeholders from research, industry and other fields to explore new cooperation and network opportunities by focusing on four specific topics from the **new EU research framework program Horizon Europe** mentioned below. The event is organized by experts of the **Scientific Coordination Office Bavaria-Israel of the Bavarian Research Alliance (BayFOR)** and the **Israel-Europe R&D Directorate (ISERD)**.

During the event, you will have the opportunity to

- receive **up-to-date information** on the specific Horizon Europe topics mentioned below;
- join one or more workshops on specific call(s) from **the new Horizon Europe program**;
- present your specific project idea and/or area of expertise on one of below mentioned topics in a **short pitch (max. 3 minutes / max. 4 slides)**;
- find **new international partners** for your consortium;
- **exchange** with other international participants on specific project ideas and approaches;

Registration to the event has to be done **by July 2, 2021 at the latest**.

Please state which workshop(s) you would like to attend and which call you are most interested in. and if you would like to give a pitch presentation.

The event is free of charge. Please note that there is only a **limited number of places available** for this event. In case one of the workshops is overbooked, we reserve the right to prioritise the participants based on their profile, expertise and/or project idea.
