

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation. In an informal setting, we are pleased to welcome back Professor Christoph Barmeyer, Universität Passau. Together with research partner Tobi Rodrigue, Université du Québec à Montréal (UQAM), they will present their newest joint publication dedicated to Montréal as creative city.

Intercultural creativity in urban environments. How socio-cultural drivers contribute to the emergence of creative cities: The case of Montreal

Forschungscafé / Science Café
