Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in post-COVID-19 times. In an informal setting, we are pleased to continue our series on Digital Health and welcome Dr. Cécile Petitgand, Associate Professor at the University of Montréal School of Public Health (ESPUM), and CEO of Data Lama, Québec. Dr. Petitgand is also a researcher associated with the International Observatory on the Societal Impacts of AI and Digital Technologies (OBVIA).

Dr. Petitgand will present on opportunities and challenges associated with the use of health data for research purposes.
