

Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to celebrate the longstanding cooperation between National Research Council (NRC) Canada and Bavarian Research Alliance (BayFOR) in a special edition that is one of the virtual events offered in the course of the 50th anniversary of the German-Canadian Cooperation Treaty of 1971.
