

## Invitation Forschungscafé / Science Café

Please join us to exchange over a cup of coffee on key questions related to the Bavaria-Québec/Alberta/International scientific cooperation in times of COVID-19. In an informal setting, we are pleased to welcome Professor Yves Joanette, PhD, Deputy Vice-Principal Research at the Université de Montréal and founding Director of Consortium Santé Numérique.

Professor Joanette will present on recent successes, challenges and research cooperation opportunities in Digital Health in Québec.
